As of the above date, UL Solutions confirms that AK&J Electric LLC is the party associated with UL Solutions file number E539785 that appears in the UL Product iQ platform. Public information contained in UL Solutions file number E539785 can be viewed using the following link:

<https://iq.ulprospector.com/en/document?e=7244876>

Additional information regarding the intended use, limitations and further guidance on the use of the certified products in UL File # E539785 can be viewed using the following link:

<https://iq.ulprospector.com/en/document?e=211877>

The appearance of a company's name or a specific product/component designation in the UL Product iQ platform does not in itself mean that the product or component so specified or identified is subject to the UL Solutions' Surveillance Program.

The manufacturer's products are not covered under UL Solutions' Surveillance Program unless they bear the authorized UL Mark. Therefore, only those products bearing the appropriate authorized UL Mark or UL Recognized Component Mark, the authorized company name, tradename, trademark and product designation shall be considered as being covered by the UL Solutions' Listing, Classification, or Recognition Service.

If you have questions regarding this letter, please contact the UL Solutions customer care team at <https://www.ul.com/contact-us>.
